How to Submit a Chit?

1. Log in at- <https://jswag.navair.navy.mil/>
See below...(your name will appear in the upper right hand corner once logged in)

The screenshot shows the JSWAG website interface. At the top, there is a green bar with the text "Unclassified". Below it, the browser address bar shows the URL "https://jswag.navair.navy.mil/Home/tabid/36/Default.aspx". The website header includes the date "Thursday, May 29, 2014", a search box, and links for "Create Account" and "Login". The "Login" link is circled in red. The main content area features the JSWAG and JFOWG logos, a central image of a person working with fiber optic cables, and an "About Us" section. The "About Us" section describes the joint service forum's purpose and lists four primary metric goals: improve reliability, reduce inventory, reduce cycle time, and reduce ownership cost. A "30th Anniversary" badge is also visible. The footer contains logos for various military departments and the text "RESPONDING TO WARFIGHTER WIRING REQUIREMENTS".

How to Submit a Chit?

2. Select the appropriate committee from the Action Chits submenu. See below...

The screenshot shows the JSWAG website interface. On the left is a dark blue navigation menu with the following items: Newsletters, Events Calendar, Meeting Registration, My JSWAG, Action Chits, Forums, Documents Library, Request Training, Lu Roberts Nominations, Lu Roberts Voting, Committee Information, and Mailing Lists. The 'Action Chits' menu is expanded, showing a list of committees: Action Chit Admin, Executive Committee, Data Committee, Design and Installation, Fiber Optic Working Group, Maintenance Committee, Quality Committee, Training Committee, and Action Chit Reports. A red rectangular box is overlaid on the right side of the page, containing the text '2. Select appropriate committee'. A black arrow points from this box to the 'Fiber Optic Working Group' option in the expanded menu. The website header includes a '30' anniversary logo (1984-2014) and a section titled 'RESPONDING TO WARFIGHTER WIRING REQUIREMENTS' with a list of goals: Improve reliability, Reduce inventory, Reduce cycle time, and Reduce ownership cost. The browser window title is 'Unclassified' and the address bar shows 'https://jswag.navair.navy.mil/Home/tabid/36/Default.aspx'. The taskbar at the bottom shows the system tray with the date '3/25/2014' and time '12:44'.

How to Submit a Chit?

3. Select “Submit New Action Chit” button. See below...

The screenshot shows a web browser window displaying a table of Action Chits. The browser address bar shows the URL: <https://jswag.navair.navy.mil/ActionChits/ExecutiveCommittee/tabid/94/Default.aspx>. The table contains the following data:

Category	ID	Title	Status
C	617	Action Chit Process Timeline	Completed
C	605	Current Fluke 27 DMM is Discontinued	Completed
B	599	Charter for JSWAG to Identify Key Stake Holder	Open
B	594	Foreign Disclosure Review	Completed
B	588	ASEMICAP as committee of JSWAG	Completed
C	576	Weapon System Specific Sidebars on Day 1/2	Completed
B	570	Program Managers for the EWIS	Open
B	567	JSWAG meeting spring and fall	Completed

At the bottom of the table, there is a navigation bar with a "Submit New Action Chit" button circled in red. The page size is set to 15, and there are 87 items in 6 pages.

How to Submit a Chit?

4. Select appropriate priority from the drop down menu. Definitions are provided by hovering over the square icon to the left of Priority.
5. Provide subject in less than 50 characters. Identify specific topic/issue.
6. Add Description.
7. Attach any applicable attachments in pdf format unless a draft or for review.
8. Select "Submit".

Chit Submission Process

- After the chit is submitted, the submitter will receive a confirmation email and the respective committee chair(s) will be notified.
- Once a committee chair reviews and validates the chit, the status is changed from “Draft” to “Open”. A subtask and responsible individual is then assigned. (Should the chit be outside the scope of JSWAG, the submitter will be notified the action has been transferred to the appropriate party.)
- The submitter will receive a status update email along with any updates thereafter.
- The submitter can review all their submissions under the My JSWAG submenu. See below....

Summary

Subject: RADSOK Pins

Description: Are these pins acceptable to use for a new hi-amp de Icing circuit?

Resolution: Be advised that the A550151 series of connectors would be a good place to find qualified connectors for high amperage applications (some are also cited in the literature attached; 5015 series). If you want to see some, stop by and talk to Brian Freeman in the QPL lab as he is currently performing testing on the 50151 series of connectors. The 50151 series is extremely versatile and has numerous sources of supply, is reasonably low cost and has long term proven capability.

Also for even bigger applications, please refer to the Mil-DTL-22992 (in NA 01-1A-505-2, see WP 005 02 and 03).

A similar RADSOK contact is in use on the JSF (as a by the way). It was experiencing some overheat issues a couple of years ago.

Maintenance Committee Action Chit

Chit #: 962 Status: Open Priority: C

Subject: LS2000 Brady Marking System Inoperative
Chit #: 962 Priority: C Status: Open

Date Submitted: 4/28/2014 11:40:07 AM **Date Closed:**
Originator: JSWAG.Member **Email:** jswag@navy.mil
Activity: 4.2.1.6 **Department:** NAVY
Phone: 301-863-4200 **Fax:** 863-4333

Action Chit URL:
/ActionChits/MaintenanceCommittee/tabid/63/ct/Edit/mid/386/ID/962/Default.aspx

Describe the Problem:
Due to the LS2000 Brady Marking system to be inoperative, the field ordered a replacement unit (TLS2200) with a fulfillment date of October 2014.

This dilemma has hindered the ability to correctly manufacture and mark replacement 8500C Vase System (Vibration Analysis System) cables per the NA01-1A-505-1. Please note the cable jacket is black in color and cannot be laser marked.

Is there a suitable substitute?

Subtasks:

Assigned Action: **Status:** Open
Provide a suitable fulfillment date of TLS2200 marking machines. Provide a suitable substitute for the interim.

Action Results:

Assigned To: BENJAMIN YEARWOOD **Email:** benjamin.yearwood@navy.mil
Activity: NAVAIR LAKEHURST, NJ **Department:** NAVAIR
Phone: 732-323-4737 **Fax:** 627-4737
