AIR 6.7

CAPT Schoch
Military Director,
Aviation Readiness &
Resource Analysis Dept.
AIR 6.8

Dennis West
Director,
Industrial Operations/
Deputy Commander,
Fleet Readiness Centers

Take advantage of this opportunity to hear our Logistics leadership discuss insights from their professional experiences to assist applicants and supervisors with enhancing NLDP applications and endorsements.

- Applicants - develop effective applications and improve your understanding of the application process
- Supervisors - learn how to best support your workforce in the application and endorsement process

The panel discussion will be followed by a brief Q&A session with the audience.

Next NLDP ECQ
Workshop – 25 June

Wednesday, June 10, 2015
1300-1500

River's Edge Restaurant & Conference Center
