ACTION ITEM

ACTION ITEM NO.: 2-179

DATE SUBMITTED: 03/27/07

SUBMITTED BY: Sgt Neal, MALS-41

PROBLEM: There is a lack of qualified personnel in W/C 990. The personnel we receive from the different work centers are only here for 6 months for Navy and 1 year for Marines, so by the time we have them certified to work 990, they are leaving. We currently only have 2 GSE Marines in 990. The squadron can not afford to provide the proper amount of personnel required to accomplish the mission as set fourth in the Wing Order

RECOMMENDATION: Make 990 it's own MOS and attach it to 900 division so there is more qualified personnel

STATUS: 05/18/07 Assumed by ASL-34.
05/21/09 CLOSED. The addition of a MF specific MOS is in the process of being generated.
