| PROBLEM | Current MF training course information not available on MF web site. |
| RECOMMENDATION | Provide a link from the MF website sidebar for MF TRAINING and provide current training course information. Include course numbers, title, duration, and brief description. Intent here is <u>not</u> to supplant CANTRAC, but to provide one-stop-shopping for MF information. Include hyperlink to CANTRAC so users can track down current schedules and locations. |
| STATUS | 06 JUN 02 |
| ACTION AGENCY | Closed. In concurrence with discussions held by the Logistics Review Group (LRG) Open Forum in attendance at St. Louis, MO on 06 June 2002 it was established that CANTRAC has adequate provisions to enroll in MF TRAINING Courses as required thru area cognizant MF Training Coordinators via proper WING/TYCOMS Chain-of-Command. |
