ACTION ITEM

ACTION ITEM NO.: 5-41

DATE SUBMITTED: 27 MAR 06

SUBMITTED BY: MALS-24

**PROBLEM:** There is still no MRC Deck or Load Testing criteria for the Complexing/De-Complexing Tools (CDT's)

**RECOMMENDATION:** Develop and publish an MRC Deck and or Inspection/Load Testing and possibly NDI requirements for CDT's.

**STATUS:** NAWCADLKE Code 11725 will initiate an IRAC to incorporate CDT Operational Procedures (only) into NAVAIR Maintenance Manual 19-25-177.

**COMPLETION DATE:** 01 SEPT 06

01/29/09 -- IRAC to MRC deck complete to be posted 27 Feb 2009

05/21/09 Periodic load test for CDT not required. MRC deck has been assembled and to be published by 15 June 2009.

**ACTION AGENCY:** NAWCADLKE (Code 11725)
