

MOBILE FACILITY PROGRAM REVIEW
ACTION ITEM

ACTION ITEM NO.: 6-33

DATE SUBMITTED: 05/09/07

SUBMITTED BY: MALS-39

PROBLEM: Availability of scaffolding and pineapples (stacking apparatus) for use at shore site MALS.

RECOMMENDATION: Recommended these items be made available at some central location for use at 3D MAW maintenance facilities in cases where van pad areas are constrained due to construction or temporary van pad layout reconfiguration, FRC implementation, etc.

ACTION AGENCY: Mobile Facilities Program Office

STATUS: 05/18/07 Reviewing for fleet wide problem

6/13/07 - PM - Need evaluation of current inventory of these items in order to research the requirement for an increase in amounts. These products are available for purchase through the program but suggest the fleet work among themselves prior to spending money. These items are expensive.
