

## **NAVAIR JOURNEY LEADERSHIP DEVELOPMENT PROGRAM**

The Journey Leadership Development Program (JLDP) is now accepting applications for 2011. JLDP is a Command-wide program for both civilian and military personnel. It is part of an on-going Command commitment to leadership development and is intended to complement the master-level leadership program, NAVAIR Leadership Development Program (NLDP). JLDP enables participants to enhance productivity skills, develop a more robust personal network, increase organizational knowledge, and gain opportunities for professional growth and advancement.

JLDP is open to GS 9-13 (WG and NSPS salary equivalent) and military E4-E6 and 01-03. Designed to target the journey-level workforce, the program aims to provide participants with foundational leadership training in a structured framework. The [JLDP Fact Sheet](#) provides information on program requirements.

The [JLDP Application](#) must be endorsed by the employee's supervisor (with signature) and forwarded electronically to JLDP Site Coordinator by COB 30 March 2011.

A JLDP information Brown Bag session will be held Wednesday, 23 February 2011 from 1200-1300 in the IPT Building No. 2272, Room 445.3.

For additional information, please contact the JLDP Site Coordinator at 301-757-4125 or the NAVAIR Program Manager, at 301-757-6291.
