**MILLINGTON, Tenn.** -- Katrina Skerritt, acquisition manpower analyst, Manpower and Personnel Analysis Branch (AIR 6.8.2.3), Naval Air Systems Command (NAVAIR), stresses the importance of having role models during "Career Day" at Appling Middle School in Bartlett, Tennessee, on April 1. A retired naval aviation maintenance expert, Skerritt was popular with the students, discussing both her Navy career experiences and her current duties as a future readiness analyst at the Navy Manpower Analysis Center in Millington, Tennessee.
