**PHOTO RELEASE: Naval Test Pilot School H-72 participates in aerial photo with
USS Zumwalt**

U.S. Navy photo

CHESAPEAKE BAY, Md. -- An H-72A assigned to U.S. Naval Test Pilot School flies near USS Zumwalt (DDG 1000) as the ship travels to its new home port of San Diego, California, Oct. 17. Zumwalt was commissioned in Baltimore, Maryland, Oct. 15 and is the first in a three-ship class of the Navy's newest, most technologically advanced multi-mission guided-missile destroyers.
