## PHOTO RELEASE: Rear Adm. Zarkowski kick starts Boots on the Ground

---

Rear Adm. Michael Zarkowski, Commander, Fleet Readiness Centers, addresses members of the Naval Aviation Enterprise Oct. 19 during a NAE leadership "Boots on the Ground" event at Naval Air Station Jacksonville, Florida. The BOG events, held quarterly at different locations, bring NAE leadership to facilities to see what is being done to support the warfighter by refurbishing, repairing and overhauling aircraft, engines and components and to talk to the Sailors and civilians who are doing the hands-on work at the plants. For more information on the event, please go to <http://www.navair.navy.mil/index.cfm?fuseaction=home.NAVAIRNewsStory&id=6400> (U.S. Navy photo/released)
