

## Certification of Readiness for Operational Test

Number: CTE-OTR-200

Title: Certification of Readiness for Operational Test

Description: The class provides information about the Operational Test Readiness Review (OTRR) process, the preparation for and development of the OTRR brief, and the post OTRR follow-up requirements. After completing this course students should understand: The purpose of the OTRR, the governing DoD/SECNAV/NAVAIR policy for OTRRs, the SECNAV Certification Criteria/NAVAIR OTRR Process, how to prepare a Pre-OTRR/OTRR brief, and the post Pre-OTRR/OTRR actions required, and the NAVAIR Operational Assessment Maturity Review (OAMR).
