

Civilian and military employees,

Examine how cultural differences can impact individuals both personally and in the workplace at an interactive multicultural training class facilitated by cultural anthropologist Jean Mavrelis.

Hosted by the Naval Air Warfare Center Aircraft Division Equal Employment Opportunity and Diversity Division, this class will teach you how to recognize cultural differences and how to raise awareness of your own culture. Topics include the definition of "culture," generalizing about people in groups, the different cultural styles found in the American workplace, and creating social inclusion.
