

## "Strengthening Cost Consciousness, Professionalism, and Technical Excellence"

Defense Acquisition University (DAU) is hosting a one-day training forum on Strengthening Cost Consciousness, Professionalism, and Technical Excellence Wednesday, April 27, at the Fort Belvoir campus. The training symposium will feature Frank Kendall, Under Secretary of Defense for Acquisition, Technology, and Logistics as the keynote speaker and planned events include plenary and classroom training sessions focusing on the latest acquisition policy, practices and techniques that attendees can use on the job. Additionally, attendees will receive six Continuous Learning Points towards their acquisition certification.

Acquisition professionals outside the Washington Metro Area can watch a live-stream of the training symposium, from 8:00 a.m. - 4:30 p.m. EST, via VTC at one of the DAU regional campuses or extended learning sites.
