TRAINING ANNOUNCEMENT

Class Title: Improving Sustaining Affordability (CORE-420-103)

Dates: July 19, 2016

Time: 0800 to 1200

Location: Frank Knox Bldg. Room, 152

Instructor: TBD

Cost: No Cost

Target Audience: Civilian/military workforce in acquisition coded positions

Course Description:

- *The purpose of the CORE-42-103 training course is to provide Integrated Product Teams (IPTs) and Program Managers (PMs) with the knowledge and attitudes necessary for the continuous improvement of total ownership costs of weapon platforms while also ensuring fleet readiness.*
- *To communicate the need for more active management of sustainment decisions in the TM, TD and EMD phases, and to provide an awareness of the guidelines to all managers should be following in pursuit of affordable sustainment strategies.*

Prerequisite:

There is a mandatory on-line training course, Effective Sustainment Planning that must be completed three days prior the instructor-led class. The on-line portion will take approximately 45 minutes to complete. The link will be forwarded approximately two weeks prior to class via an email.

To Register:

1. CAC required, access: <https://navairu.navair.navy.mil>
2. **A) Skip this step if you DO have a NAVAIRU account.**
