Four senior leaders – Ms. Steffanie Easter, Mr. Thomas Rudowsky, Mr. Jimmy Smith and Ms. Leslie Taylor – will discuss the benefits of leadership program participation, involvement in mentoring relationships and other key components of successful career development. The panel discussion will also be open to the audience for questions.

Sponsored by NAVAIR's Career Development Office and the National Society of Black Engineers, Patuxent River Alumni Extension Chapter, the event will showcase our Journey Leadership Development Program and NAVAIR Leadership Development Program and emphasize the value of mentoring, individual development plans, networking and developmental assignments.

This event is open to the military and civilian workforce.
