

ACTION ITEM NO: 2-150

DATE SUBMITTED: 28 JUL 98

SUBMITTED BY: MALS-11

PROBLEM:

I have been tasked to supply ten (10) Mobile Facilities (MF) to CAX for "O"-Level NALCOMIS use. There is no allowance for MF's for this purpose, so I am required to supply ten (10) active MF's to this with no reimbursement for any repairs or upkeep, taking away from my Deployability.

RECOMMENDATION:

Either put an allowance in the Table of Basic Allowances (TBA) for "O"-Level NALCOMIS support, or make standard throughout the MF community that this type of tasker is not approved.

STATUS: 29 JUL 98

Closed. The Logistic Review Group (LRG) Steering Committee held at JRB Ft. Worth, Texas on 29 Jul 98 request resolve at your activity level, suggest initiate a Mission Needs Statement (MNS) for any additional TBA changes.
