

MOBILE FACILITY PROGRAM REVIEW  
ACTION ITEM

ACTION ITEM NO.: 2-188

DATE SUBMITTED: 04/21/08

SUBMITTED BY: MF Program Office

PROBLEM: MFs with serial number series GTG, GRT, JMJ, and JKS are: (1) more than thirty years old, (2) have end door sizes that are one inch smaller than standard (delivered with smaller butting kits, which are no longer procured), (3) have five hinge doors and (4) have obsolete 1339 drawings.

RECOMMENDATION: MF Program Office has decided to survey all Fleet "Excess/Surplus" MFs that begin with serial number series GTG, GRT, JKS and JMJ. Based on the overall cost-risk-benefits of supporting legacy MFs.

STATUS: 04/21/08 TOPIC OF DISCUSSION--Survey all "Excess/Surplus" GTG, GRT, JKS and JMJ series MFs via Fleet disposition request Naval message.

05/29/08 CLOSED--Fleet has been briefed on procedure.

ACTION AGENCY: MF Program Office
