

**MOBILE FACILITY PROGRAM REVIEW  
ACTION ITEM**

**ACTION ITEM NO.:** 2-198

**DATE SUBMITTED:** 04/14/2010

**SUBMITTED BY:** 3D MAW ALD-IT

**PROBLEM:** The Aviation Logistics Information Management and Support (ALIMS) Department TBA allowances for Mobile Facilities (MF) do not support the requirements placed on ALIMS to support and repair Aviation Logistics Information Technology (AVLOGIT) requirements. Specifically the Network Support Division rate two DP-04 (Supply ADP Tape Library MF's). These MF's were designed around the requirement to provide hanging storage of large 9-track magnetic media tape saves for the legacy Honeywell systems supporting NALCOMIS and SUADPS. These MF's do not support the current mission placed on ALIMS.

**RECOMMENDATION:** Request removal of one DP-04, from S00 DPD.

**STATUS:** Open

**ACTION AGENCY:** ASL-36
