

MOBILE FACILITY PROGRAM REVIEW
ACTION ITEM

ACTION ITEM NO.: 2-210

DATE SUBMITTED: 6/15/2010

SUBMITTED BY: MACS-1 (REIN) ATC Det C (MSgt Bigham)

PROBLEM: Look into the possibility of a TBA allowance to allow the ATC Dets to rate an FS-01 Hazmat/Flam MF van.

RECOMMENDATION: Allow a TBA change to let the ATC Dets to rate the FS-01. They are not needed by every det. The change would allow the dets to work with the local MALS on a case by case basis to request the assets if needed and not being used by the MALS work centers.

STATUS: ATC needs to submit a TBA request during TBA review @ 2011 MF LRG. Action Item is closed.
