

ACTION ITEM NO: 5-36

DATE SUBMITTED: 19 JUL 98

SUBMITTED BY: MALS-31

PROBLEM:

Utilization of Drawing Numbers for Part Numbers.

DISCUSSION:

The use of drawing numbers within publications to identify replacement parts is not adequate for procurements by the Fleet.

RECOMMENDATION:

Identify, provision and procure the correct part numbers to allow the Fleet to order and obtain the required items.

STATUS: 29 JUL 98

Closed. NAWCADLKE Code 3.1.4.4 request Fleet to re-submit on a case-by-case basis via a Technical Publicatio
