ACTION ITEM NO.: 5-52

DATE SUBMITTED: 04/07/09

SUBMITTED BY: MALS-39

PROBLEM: It is unclear what constitutes a modification or authorized/unauthorized de-configuration to a MF. MCO 13670.1 is vague and open to interpretation. Is a mod/deconfig simply moving a shelf, removing a cabinet and documenting the shortage or physically changing structure of a MF?

RECOMMENDATION: Add a definition of modification and de-configuration to the MCO.

STATUS: 05-19-09 - Modification defined as structural change to an MF. De-configuration defined as changing the inside fixtures of an MF. AI CLOSED
