ACTION ITEM

ACTION ITEM NO.: 6-47

DATE SUBMITTED: 04/18/08

SUBMITTED BY: MARFORCOM

PROBLEM: TQG warranty repair procedures. Generic warranty repair procedures are included in the TQG manuals, however the Program Office has indicated there will be additional guidance regarding the warranty repair process.

RECOMMENDATION: Program Office provide the published process the fleet should use for TQG warranty repairs.

STATUS: 04/21/08 ACCEPTED--As stated above, TQG warranty process is located in TQG Manuals. Please inform (CC) the MF Program Office of all TQG and ancillary equipment warranty issues. Additional warranty procedures to be identified by the MF Program Office; in the interim, follow procedures identified in the manual.

05/29/08 CLOSED--Procedures in TMs and posted to website.

ACTION AGENCY: MF Program Office/NAWCADLKE
