DON AT&L Continuous Learning Policy/Record CL Points

The Director, Acquisition Career Management (DACM) provided Continuous Learning (CL) Policy Guidance in a memorandum dated 17 February 2011.

1. Creditable Acquisition Workforce (AWF) CL activities and points were re-defined to better align with the career development goals in the DON AWF Strategic Plan.
2. CL cycles are now reset by the DON's eDACM information system at the end of the 2-year period, not when the 80 point threshold is met.
3. Non-acquisition related or annual employee training requirements such as Information Assurance Awareness, Prevention of Sexual Harassment, Retirement Planning Seminars, safety drills, etc., **are not applicable** to the AT&L Continuous Learning Program.
4. Questions or concerns about documenting CL points, please contact your NAVAIR Program Competency or Site Representative.
