

Naval Air Warfare Center Training Systems Division (NAWCTSD) and NDIA Central Florida Chapter Integrated Product Team (IPT) Meeting

RE: "Acquisition Processes, and Contract Types and Working Groups, Oh my...."

Date: Tuesday, 12 April 2016

Time: 1330 - 1500

Location: 3039 Technology Parkway, Partnership III Building, Room 321A/B

Background: Naval Air Warfare Center Training Systems Division (NAWCTSD) in partnership with Central Florida Chapter of the National Defense Industrial Association (NDIA) will continue the Navy's Integrated Product Team (IPT) meetings with Industry.

Purpose: The purpose of the IPT is to:

- Remove communication barriers and to provide a forum, consistent with existing law and regulation that promotes responsible and constructive exchanges between NAWCTSD and Industry.
- Seek common ground for consistency in Government-vendor communications interface
- Provide facts and strategies to help NAWCTSD acquisition professionals benefit from Industry's knowledge and insight.

Rules of Engagement: The IPT Sessions are NOT intended to discuss any current or future Business Opportunities. Participation in the IPT meetings is open to all of Industry to attend. For capacity reasons, please RSVP to this announcement via the email provided below or to NDIA representative Trevor Huth, email Trevor.huth@parsons.com and limit participation to one representative per company. We highly recommend Industry send a representative experienced in the Session Topics the IPT will address.
