

Naval Air Warfare Center Training Systems Division (NAWCTSD) and NDIA Central Florida Chapter Working Group Meetings

RE: Best Value Continuum Working Group

Date: Thursday, 02 Jun 2016

Time: 1430 - 1630

Location: 3051 Technology Parkway, Orlando, FL. 32826 Bishop Conference Center- Room 126

Background: Naval Air Warfare Center Training Systems Division (NAWCTSD) in collaboration with Central Florida Chapter of the National Defense Industrial Association (NDIA) is initiating Working Group meetings with Industry.

Purpose: The purpose of the Working Groups

- Remove communication barriers and to provide a forum, consistent with existing law and regulation that promotes responsible and constructive exchanges between NAWCTSD and Industry.
- Seek common ground for consistency in Government-vendor communications interface
- Provide facts and strategies to help NAWCTSD acquisition professionals benefit from Industry's knowledge and insight.
- Provide a specific, actionable recommendation(s) based on shared lessons learned and best practices that will assist in streamlining the acquisition process.

Rules of Engagement:

- Working Groups are NOT intended to discuss any current or future Business Opportunities
- Will not be discuss/disclose:
 - source selection sensitive or contractor proprietary information
 - classified information including For Official Use Only (FOUO)
- Commitment to attend each WG
- Participate
- Take Action Items and own them
- Willing to work together
- Broad perspective
- Post Action Items on external website <http://www.navair.navy.mil/nawctsd/>

Participation in the working group is open to all of Industry to attend. For capacity reasons, please RSVP to this announcement via the email provided and limit participation to one representative per company. We highly recommend Industry send a representative experienced in the Session Topics the IPT will address.

Please provide any questions that you may have in advance to Orlo_BusinessSupportTeam@navy.mil or you can contact Ms. Diana Teel at 407-380-4903, NAWCTSD Business Support.
