

Entry-level Business, Finance and Logistics

We are actively recruiting highly motivated employees who have recently graduated or will graduate in the near future with a bachelor's, master's, or doctoral degree to join our Business Professional Intern (BPI) Program. This program provides a valuable opportunity to actually apply educational knowledge firsthand in rotational assignments.

Business professionals are hired into a specific department and trained in that department, while others are trained in a variety of departments via rotational assignments. All employees in the BPI have development plans that include formal and informal training. Incumbents must be U.S. citizens and must be able to obtain and maintain a secret clearance.

Disciplines include

- Business and Program Analysis
- Human Resources
- Contracts/Acquisition
- Financial Management
- Information Technology and Information Management
- Comptroller
