

****NOTE: This tab contains instructions for completing**

Instructions: For the purposes of this table, the Offeror shall provide the following information for this solicitation, including all options. Use tab 1 for the prime and tab 2 etc. for each subcontractor as goals for each subcontractor must be listed separately

*****Note to contract specialist Update the table headers and footers with pertinent solicitation information. From the toolbar, Select View and then Page Layout from the Workbook Views to insert Header and Footer information.**

Row3	Fill in the Offeror's Name.
Row4	The Total Proposed Contract Value.
Row5	The Total \$ amount to be subcontracted to large and small businesses.
Cell B7	The Total \$ amount to be subcontracted to large businesses.
Cell B8	The Total \$ amount to be subcontracted to small businesses.
Cell B9	The Total \$ amount to be subcontracted, where: Total \$ (B9) = Large \$ (B7) + Small \$ (B8)
Cell C7	The % of Total Contract Value for large businesses, where: $\% (C7) = \text{Large } \$ (B7) / \text{Total } \$ (\text{Row4})$
Cell C8	The % of Total Contract Value for small businesses, where: $\% (C8) = \text{Small } \$ (B8) / \text{Total } \$ (\text{Row4})$
Cell D7	The % of Total amount to be subcontracted to large businesses, where: $\% (D7) = \text{Large } \$ (B7) / \text{Total subcontract } \$ (\text{Row5})$
Cell D8	The % of Total amount to be subcontracted to small businesses, where: $\% (D8) = \text{Small } \$ (B8) / \text{Total subcontract } \$ (\text{Row5})$
Cell D9	The % of Total Amount to be subcontracted to large plus small businesses must equal 100%.
Rows 13-17, Columns B-D	For each "Small Business (SB) Concern Subcategory" in Rows 13-17, reference the instructions for Cells B8, C8, and D8, respectively, when providing the "\$ to be Sub-Contracted" in Column B, "% of Total Contract Value" in Column C, and "% of Total Amount to be Sub-Contracted" in Column D. Consider Row 13 as an example: $C13 = B13 / \text{Row 4}$ and $D13 = B13 / \text{Row 5}$ Note: The total amount of \$ to be Sub-Contracted for all small business subcategories will not necessarily equal the total amount to be Sub-Contracted to small businesses.
