

Please insert the following Data Rights Assertion Table:

Technical Data or Computer Software to be Furnished with Restriction	Basis	Asserted Rights Category	Company Asserting Restrictions
Detailed propellant/fuel formulation, geometries, and manufacturing procedures, as applicable*	Development was accomplished exclusively at private expense.	Limited Rights	Aerojet Rocketdyne, Inc.
All Propulsion modeling software that is delivered.*	Development was accomplished exclusively at private expense.	Limited Rights	Aerojet Rocketdyne, Inc.
Certain advanced propellant or fuel ingredients.*	Development was accomplished exclusively at private expense.	Limited Rights	Aerojet Rocketdyne, Inc.
Material data covered by supplier proprietary agreements.*	Development was accomplished exclusively at private expense.	Limited Rights	Aerojet Rocketdyne, Inc.
Ballistic modeling code for wired end burning rocket motors.*	Development was accomplished exclusively at private expense.	Limited Rights	Aerojet Rocketdyne, Inc.
Insulation formulations and its associated processes. *	Development was accomplished exclusively at private expense.	Limited Rights	Aerojet Rocketdyne, Inc.

*As applicable from the trade study results. If NAWCWD material is chosen for the program, Aerojet Rocketdyne will restrict the use of the NAWCWD material as determined by NAWCWD.
