

NAVAIR SMALL BUSINESS PROGRAM

FACT SHEET

SMALL BUSINESS PROGRAM TEAM

- **NAVAIR Headquarters-
Patuxent River UIC N00019**

Mr. Shelby Butler, Director
Email: shelby.butler@navy.mil

Ms. Victoria Butler, Deputy Director
Email: victoria.butler@navy.mil

NAVAIR Web page:
<http://www.navair.navy.mil/osbp>

Primary Procurements: The Naval Air Systems Command (NAVAIR) provides advanced warfare technology to the American war fighter through mastery of six broad categories of Naval Aviation technologies: Sensors, Aircraft, Weapons, Training, Launch & Recovery, and Communications. The organization employs about 25,000 people working at eight principal continental United States sites and two principal sites overseas, each providing an indispensable piece of the advanced warfare equation. NAVAIR is headquartered at Patuxent River, Maryland.

- **Naval Air Warfare Center Weapons Division-
China Lake and Point Mugu UIC N68936**

Mr. Derrick Hu, Deputy for Small Business
Email: derrick.hu@navy.mil

Weapons Division Web page:
<http://www.navair.navy.mil/nawcwd/>

Primary Procurements: Naval Air Warfare Center Weapons Division (NAWCWD) supplies the fleet with high-speed weapons, network centric warfare, unmanned aviation and homeland defense/counter terrorism capabilities. This includes performing research, development testing and engineering, logistics and in-service support for guided missiles, free-fall weapons, targets, support equipment, crew systems and electronic warfare systems. The Weapons Division integrates weapons and avionics on tactical aircraft, operates the Navy's western land and sea range test and evaluation complex, and applies new weapons technologies to ensure battle space superiority.

- **Naval Air Warfare Center Aircraft Division-
Patuxent River UIC N00421**

Mr. Lawrence Butts, Deputy for Small Business
Email: lawrence.butts@navy.mil

Ms. Cynthia Thompson, Small Business Professional
Email: cynthia.m.thompson@navy.mil

Aircraft Division, Patuxent River Web page:
<http://www.navair.navy.mil/nawcad/index.cfm>

Primary Procurements: Patuxent River is home to the NAVAIR headquarters and the Naval Air Warfare Center Aircraft Division (NAWCAD). NAVAIR's Aircraft Division at Patuxent River (including Webster Field Annex) is the Navy's principal research, development, test, evaluation (RDT&E), and engineering, and fleet support activity for manned and unmanned aircraft, engines, avionics, aircraft support systems and ship/shore/air operations.

With more than 200,000 air operations annually; activities at Patuxent River fly 140 aircraft (type model/series) over 780 restricted and 5,000 controlled square miles. The RDT&E capability ranges from concepts analysis and procurement to flight-testing and support equipment.

- **Naval Air Warfare Center Aircraft Division-
Lakehurst UIC N68335**

Ms. Dawn Chartier, Deputy for Small Business
Email: dawn.chartier@navy.mil

Aircraft Division Lakehurst Web page:
<https://www.navair.navy.mil/nj1.html>

Primary Procurements: Lakehurst's Aircraft Platform Interface (API) provides the facilities and services necessary to permit fixed and rotary wing aircraft to operate safely and effectively from ships at sea and from austere expeditionary airfields. This includes designing, prototyping, testing and contracting to provide items such as catapults, arresting gear, visual landing aids, flight deck marking/lighting systems, aircraft and weapons handling equipment, aircraft servicing and maintenance equipment, unique avionics testing equipment, aircraft engine test equipment and shipboard aircraft fire trucks. Lakehurst is the only activity responsible for this unique and vital aspect of Naval Aviation.

- **Naval Air Warfare Center Training Systems Division-Orlando UIC N61340**

Ms. Leslie Faircloth, Deputy for Small Business
Email: leslie.faircloth@navy.mil

Training Systems Division Web page:
<http://www.navair.navy.mil/nawctsd/>

Primary Procurements: The Naval Air Warfare Center Training Systems Division (NAWCTSD) is the Navy's source for a full range of innovative products and services that provide complete training solutions. This includes requirements analysis, design, development and full life cycle support. NAWCTSD provides continuous learning across a wide variety of applications (aviation, surface, undersea, etc.), integrates the science of learning with performance-based training and measurement of training effectiveness focused on improving the performance of Sailors and Marines.

NAVAIR Office of Small Business Programs

Mission

Enabling the Warfighter with creative solutions brought to them through small business.

Vision

NAVAIR's Office of Small Business Programs is a valuable resource that enables the best solutions for the Warfighter. We are advocates for NAVAIR's strategic priorities: current readiness, future capability and people. Achieving these priorities requires the entrepreneurial skills of small and large businesses. We strive to ensure that the creative talents of small business are nurtured and sustained in defense of freedom.

FedBizOpps Solicitations - <http://www.fedbizopps.gov>

FEDMALL – <http://www.dla.mil/info/fedmall>

ezSearch Tool - <https://www.fpds.gov>

Search function on the Federal Procurement Data System – Next Generation (FPDS-NG) that provides the ability to search for contracts based on free text. All contracts searched are in Final status. You do not need to register in order to use ezSearch.

NAVAIR Invoice and Payment Processes: Information on self-registration for Wide Area Workflow (WAWF) can be obtained at NAVY WAWF Assistance Line 1-800-559-WAWF (9293). <https://wawf.eb.mil>

Mentor – Protégé Program

The NAVAIR Mentor-Protégé Program encourages large business prime contractors (Mentors) to partner with small business concerns (Protégés) under individual agreements to assist the Protégés in their efforts to successfully compete for contract awards.

Eligibility: A qualifying Mentor must have at least one active subcontracting plan and be eligible for Federal contracts. A qualifying Protégé must be a small disadvantaged business, a qualifying organization employing the severely disabled, a women-owned small business, a service-disabled veteran-owned small business, or a historically underutilized business zone (HubZone) small business. A Protégé may have only one active (DoD) Mentor-Protégé agreement.

<http://www.navair.navy.mil/osbp/index.cfm?fuseaction=home.mentor>

Small Business Innovative Research Program (SBIR)

The SBIR Program Manager is Mrs. Donna Attick, email donna.moore@navy.mil. All DoD SBIR/STTR solicitations are available in electronic format ONLY at

<http://www.acq.osd.mil/sadbu/sbir>

System for Award Management (SAM)

SAM is a Federal Government owned and operated free web site that consolidates the capabilities in Central Contractor Registration (CCR), Federal Agency Registration (FedReg), Online Representations and Certifications Application (ORCA), and Excluded Parties List System (EPLS). Future phases of SAM will add the capabilities of other systems used in Federal procurement and awards processes.

<http://www.sam.gov>

Center for Veterans Enterprise (CVE)

The CVE is a Veterans Administration Program to promote business ownership and expansion for veterans and service-disabled veterans. Website contains a dynamic, searchable database to enable market research targeted to veterans and service-disabled veterans who own small businesses.

<http://www.vetbiz.gov>

Federal Procurement Data System – Next Generation (FPDS NG)

FPDS NG provides users with information on contracts whose estimated value is \$3,000 or more. Every modification to that contract, regardless of dollar value is reported.

<https://www.fpds.gov/fpdsng/>

Naval Aviation Small Business Roundtable (SBR)

The NAWCAD SBR is a collaborative effort between NAWCAD and area small businesses to enhance small business participation in Naval Aviation contracts and provide a forum to address small business issues and concerns.
